## Webinar on the topic entitled “Future of Technical Education in India” 29<sup>th</sup> April, 2019

On April 29, 2019, a webinar was held on the topic “**Future of Technical Education in India**”. The screening of the talk by Prof. Anil D. Sahasrabudhe, Chairman of AICTE was attended by 20 students and 05 teachers. Prof. Anil proposed the idea of lifelong learning by creating generic skills through curriculum. He urged the faculty to focus on project-based learning. There is need to develop courses in learning so that the classroom education can empower students to get employment opportunities and excel in them. Moreover, the students should be encouraged to do internships as it will enrich them with practical experience which goes beyond the boundary of classroom. He emphasized that the primary aim education is to get solution for the problems proposed by society. Therefore, the sensitization of students is imperative to achieve practical implementation of classroom learning.

## "India First Leadership Talk Series" (26<sup>th</sup> April, 2019)
